CLARE VALLEY

Established 1984

2019 “VALLEY’S END” SAUVIGNON BLANC/SEMILLON

Colour: Medium to pale green.

Aroma: Fresh aromas of tropical fruit including guava and passionfruit plus some crushed nettles and citrus adding a little interest. Quite aromatic but not an “over the top” wine.

Palate: The palate is crisp, fresh and flavoursome; the characters mentioned above doing most of the talking. The dry finish is nicely balanced with the bright acidity delivering a bright, persistent finish.

Summary: Produced from fruit grown on our estate vineyards, this is a wine to enjoy young and fresh. It partners nicely with all sorts of seafood, but try it with fresh Mussels steamed open with white wine, garlic & parsley then folded through fresh fettucine.

TECHNICAL NOTES:

Analysis: 11.5% Alc, 3.13 pH, 7.2 g/L TA, 1.6 g/L RS.

Closure: Screwcap

100% Clare Valley
