

Penny

2019
ROSÉ
FLEURIEU
ADELAIDE HILLS

STYLE: We looked at benchmark classical dry rosés of Europe to bring you a Rosé that reflects contemporary appeal. 2018 Penny mirrors this trend, with a savoury, clean and refreshing approach balanced beautifully for stand-alone drinking, with the necessary structure to sneak onto the dining table through the celebratory season.

WINEMAKER: Turon White

VINTAGE: An unseasonably dry winter was balanced out with above average rainfall in June and August ensuring optimal soil moisture at budburst. Cool temperatures early in the season resulted in evening ripening and good flower development. A cold spell at fruit set resulted in very low yields across all varieties. A heat spike in January ensured optimal ripeness of fruit combining with low yields to produce fruit of far above average flavour intensity.

ALCOHOL: 13.0%

TOTAL ACIDITY: 5.82 grams/litre

pH: 3.30

COLOUR: Vibrant coral pink.

BOUQUET: Strawberries and cream, fresh rhubarb and pomegranate

PALATE: Fresh, pure and vibrant -ripe raspberries, musk, pink grapefruit, and cherry with a clean textured finish

ALTITUDE: 450 metres

SOIL: Ancient soils, mostly gravel with limestone/calcium silicates and ferrous pebbles spread throughout

Conceived in France and created in the Adelaide Hills, The Lane Vineyard wines are neither European nor Australian in style, rather the best of both worlds and a window to our vineyards. Our wines have the structure and finesse of Europe's best, complemented by intense fine fruit flavours and spice; a product of Australian sunlight, diurnal temperature due to our altitude and the terroir of The Lane Vineyard. Drink it in. Visit our place.
