

TALTARNI

TALTARNI T SERIES SHIRAZ 2019

REGION: PYRENEES VICTORIA
VARIETY: SHIRAZ

The Taltarni T Series is a fresh range of premium wines for enjoying everyday moments . . . to at.

In 2019, a dry winter and early spring allowed a long growing season in the Pyrenees that produced full flavoured red wines. With just enough rain throughout the season, the vines produced fruit rich in concentration and full of flavour.

The fruit was harvested and placed directly into open top fermenters. Natural fermentation commenced and was held on its skins for 8 days, before being pressed to oak barrels. Aged in French barriques, the wine underwent malolactic fermentation and was allowed to age with minimal intervention prior to bottling.

WINEMAKER COMMENTS

The 2019 T-Series Shiraz boasts aromas of dark fresh red berry with notes of light spices. These aromas transition to the palate via flavours of blueberry and cassis, with a hint of oak that lingers in a luscious finish.

Drink now or age for up to 5 years.

KEY FEATURES

- Taltarni is a reputable, iconic Australian brand
- T Series Shiraz season on quality at this price point
